McAllen FFA

Science Veterinary

The FFA Mission
FFA makes a positive difference in the lives of students by developing their potential for **premier leadership, personal growth and career success** through agricultural education.

The Purpose

To promote career and post-secondary readiness by providing opportunities to develop knowledge and demonstrate skills in the field of veterinary science.

Team Make-up

The event will be a team event consisting of three or four students. The top three score count toward the team total.

It is required that participants be in medical scrubs (the only logos permissible on shirts are school or organizational logos). All team members must be dressed alike.

Equipment Needed

1. Contestant must provide his/her own transparent clipboard.
2. Contestant must bring his/her own pencil and scan sheet to the contest.
3. No notes, books, pictures, or other materials are permitted.
4. Contestant may bring a basic, non-programmable calculator.
5. Contestants may use a copy of the scan sheet to record their answers for review after the contest.
6. Blank paper will be provided at the contest site.
7. Section or group leaders will not return scan sheets after a student has turned them in.

Scoring

Written Exam 100 points
Identification 150 points
Skills practicum 100 points

Total

Individual 350 points
Team 1050 points

Classes

Written Test (100 points)

The test will consist of 50 questions, each question worth two points. The questions will come from a file of 285 questions from the veterinary science CDE link

Identification (150 Points)

5 Exotic animal breeds (two points each)

20 domestic animal breeds (two points each)

25 Equipment/materials (two points each)

25 Parasites and animal body parts (two points each)
